Regularising the services of contract labour at L.P.G. Bottling Plant

2790. SHRI SAMAR MUKHERJEE: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether Government are taking any steps to regularise the jobs of contract labourers who are engaged in the filling shed at the L.P.G. Bottling Plant of Indian Oil Corporation, Suchipind, Jalandhar, Punjab, for the last ten years; and

(b) if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPT. SATISH SHARMA): (a) and (b) The contract labourers are employees of registered contractors, for specific periods and for specific jobs. As they are not employees of ICC, the question of their regularisation does not arise.

Violations of safety procedures at LPG Botting Plant, Jalandhar

2791. SHRI SAMAR MUKHERJEE: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that the contract labourers of L.P.G. Bottling Plant of the Indian Oil Corporation at Suchipind, Jalandhar are engaged in work which contravenes the clause 4.6.7 of the Report of Committee set up to review safety and operating procedures in L.P.G. filling, transportation and distribution dated 21st November, 1983;

(b) if so, the details thereof;

(c) whether it is also a fact that the contractors employing labour in the said plants also violated the recommendation made by Ministry of Petroleum in the same report under clause 4.6.9 to provide safety year; and

(d) what steps have been taken to implement the recommendations of the Committee so far;

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPT. SATISH SHARMA): (a) to (d) According to M/s. Indian Oil Corporation, in line with the cited clause of the report, the contract labourers engaged for handling cylinder loading/unloading and the truck crew are confined to areas earmarked for such operations. Since the haulage contract labour is not carrying out any activity connected with filling, testing, evacuation and cold repair of cylinders, no safety gear is prescribed.

Subsidy on LPG and Kerosene

@2792. SHRI PRAMOD MAHAJAN: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state what subsidy is given to LPG per cylinder as well as to kerosene oil per litre?

@Previously unstarred question 1648, transferred from 9th March 1993

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPT. SATISH SHARMA): The subsidy given to a LPG cylinder of 14.2kg for domestic use is about Rs. 68 and about Rs. 2.79 per litre of kerosene (S.K.O.).

Approval for the Kandla-Bhatinda Pipeline Project

2793. SHRI ANANT RAM JAISWAL: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that though Government had approved the Kandla-Bhatinda pipeline project in 1989, yet the contract of the project has not been awarded to any company so far; if so, the reasons for such a long delay;

(b) the names of the companies which participated in the technical and price biddings and the price quoted by each party;

(c) whethr it is also a fact that World Bank had advised Indian Oil Corporation to treat the bidding of a Indo-Italian Company as "non-responsive", if so, the ground on which this advice was made; and

(d) what are the details of norms relating to tenders and which company tops in satisfying those norms?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPT. SATISH SHARMA): (a) The award of the contract has not taken place as revised cost estimates for the project are still to be finalised.

(b) The companies who participated in the Bids are: (1) Consortium led by M/s. Skodaexport, Czechoslovakia; and (2) M/s. Snamprogetti, Italy. The price bids have been revised by the parties from time to time.

(c) and (d) The bid of Consortium led by M/s. Snamprogetti, Italy, was considered "non-responsive" in consultation with the World Bank on grounds of deviation taken by the bidder in their technical and commercial conditions, leaving the other bid in the field.

Decline in ONGC Production Target

2794. SHRI MENTAY PADMANABHAM: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that ONGC production targets as well as profits have declined during the year 1991-92; and

(b) whether it is also a fact that this down swing is due to inherent structural infirmities?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPT. SATISH SHARMA): (a) Yes, Sir.

(b) The reasons for shortfall in crude oil production include reservoir constraints, law and order problem in the Norh-Eastern region, etc.

The reasons for decline in profits include reduced production of crude oil; increased input costs; increased recouped cost towards depletion charges and expensing of dry wells; and increased interest cost.
